

Forest Lake Camp, located on 823 acres in the Adirondack Mountains of Chestertown, NY, is dedicated to the growth and leadership of its campers and staff. **What greater environment than the outdoors?** FLC is currently hiring enthusiastic, dedicated and skilled wilderness staff to work with children, ages 8-16, in a traditional Brother/Sister summer camp setting for our 2017 summer season. Help us share the great outdoors with today's youth!

Job Description: Wilderness staff at FLC focus mainly on adventure based activities: climbing, canoeing, kayaking, hiking and overnight trips and also carry traditional general counselor responsibilities. A General Counselor-Wilderness staff is responsible for the well-being and safety of campers, both in cabin settings and in daily activities, both on and off camp. A General Counselor/Wilderness staff must have background and experience pertaining to working with youth and/or the operation of an assigned department: climbing, kayak, backpacking, canoe or orienteering. A knowledge of the Adirondack Region is helpful.
