NEXT SUMMER WE TURN 100! HAVE YOUR PARENTS RESERVE YOUR SPOT!

## A LETTER FROM YOUR EDITOR

Hi hoomans,

It's me, Atlas—your favorite camp pup (besides a certain counselor... I will find out who you are and steal your hamburger at BBQ 🐾🍔).

I've been laying low this past week working on this final special edition of The Owl. I wanted it to be just right, because... well, you're all leaving soon, and that makes me a little sad. But I'm also wagging my tail thinking about seeing your amazing faces again next year!

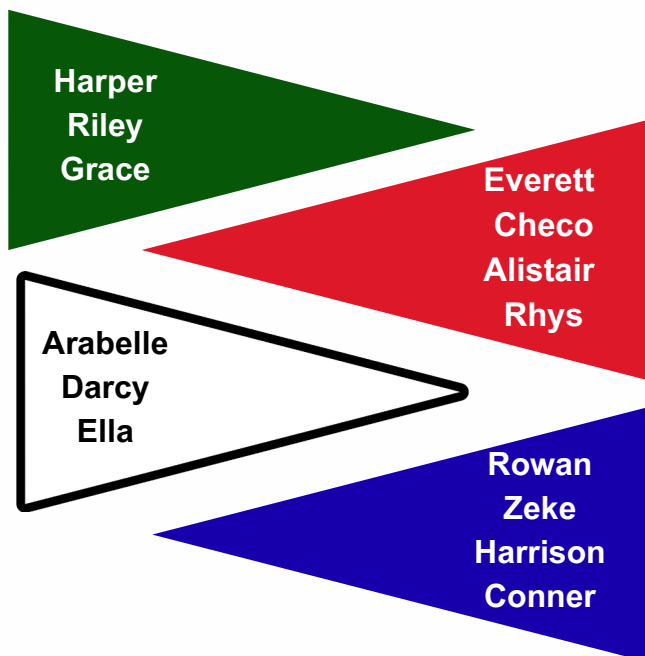

Like Quinn and Bender always say, "It's about the friends you make along the way." I'd like to consider you all my friends—actually, more like family. 🐾❤️

Don't forget: you'll always have a place here. Once an FLCer, always an FLCer. 🏕️

Do you know how to make a Sunbutter and Jelly sandwich?

ARE YOU SURE?

We will select three people and follow their instructions word for word — so don't forget to open the bread bag!

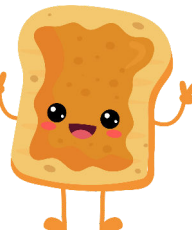

Every person who submits will be entered into a drawing to win ice cream sandwiches for their whole cabin.

Yes, the whole cabin. Be clear, be creative, and don't hold back!

\*One entry per person.  
Counselors can enter.  
Winner will be chosen at random!

Please hand in all entries to Coby at the lodge!

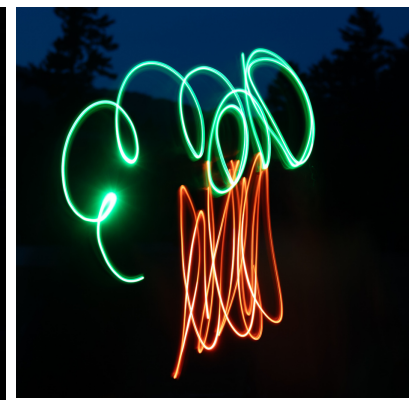

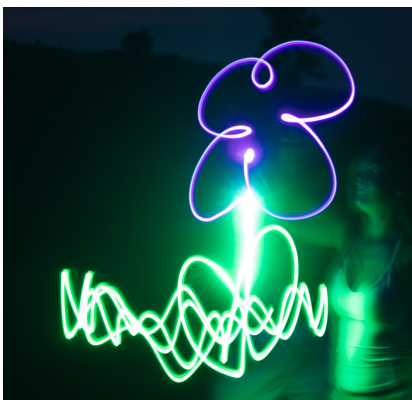

## WALT! BY NORA (THE LIT)

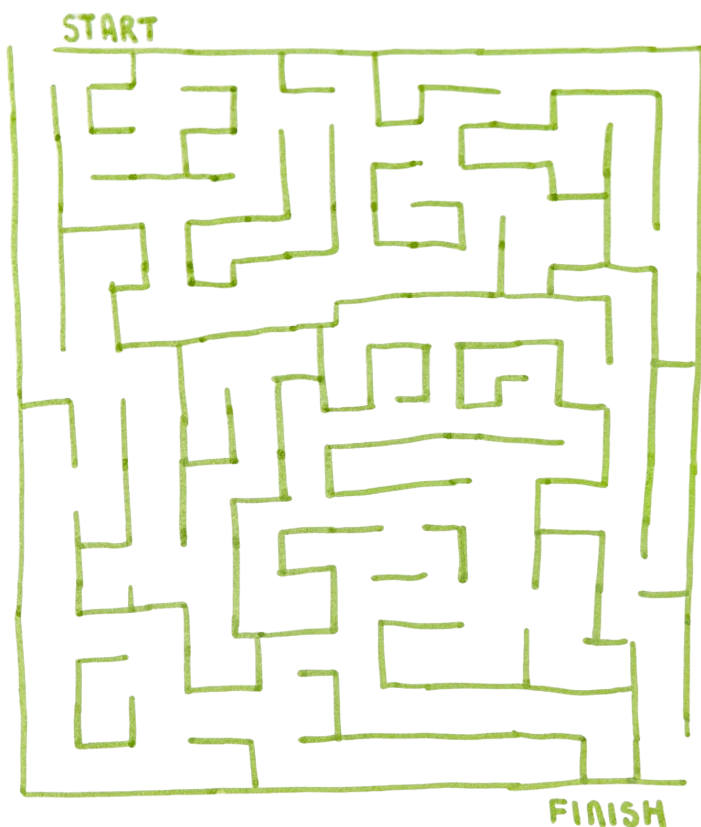

FLC has a new mascot named Walt! Walt arrived at camp on July 26th and fit right in. If you see him around camp, feel free to say a friendly hello! He was sorted on to the purple team, symbolizing peace on camp.
